

# Projects of Leadership Shawano County

As part of the curriculum of Leadership Shawano County, participants research, create and facilitate two community service projects. Here are just a few of our successful projects:

- Sundrop Dayz
- saYPro (Shawano Area Young Professionals)
- SAM's Closet
- Boys & Girls Club of Shawano
- SAFPARC
- Recovery Awareness and Celebration Walk
- The F.R.E.S.H. Project

Leadership Shawano County is a cooperative effort of the Shawano County Chamber of Commerce and the UW- Madison Division of Extension - Shawano County.

The goal of the program is to:

- Identify and develop current and potential community leaders.
- Create an awareness of community needs
- Exchange information and create networks.
- Prepare and challenge leaders to become involved

## About Leadership Shawano County

The goal of this 9-Month leadership program is to build a pool of citizens with broad knowledge of the ideas, issues and concerns faced by our local communities. It is hoped that as the participants become aware of the challenges and the many existing resources they will take leadership and active participation roles in helping to meet those challenges.

Participation in Leadership Shawano County is open to the general public living and working in and around Shawano County. Our participants represent a diverse perspective and variety of experience. The melding of individuals into a focused team over the year is a very rewarding experience.

“The Leadership Shawano County (LSC) program is such an asset to our current and emerging leaders in the area. Aside from learning valuable information about the region we live in, we also had the opportunity to build relationships with our classmates who represented numerous businesses and organizations within Shawano and Menominee Counties. LSC challenges and engages its participants, emphasizes the need for civic and community engagement and equips individuals for the daily interactions with employers, co-workers, clients and customers. Leadership Shawano County is a program you’ll want to be a part of!”
